

GO FISHING

WITH DAVE COSTER

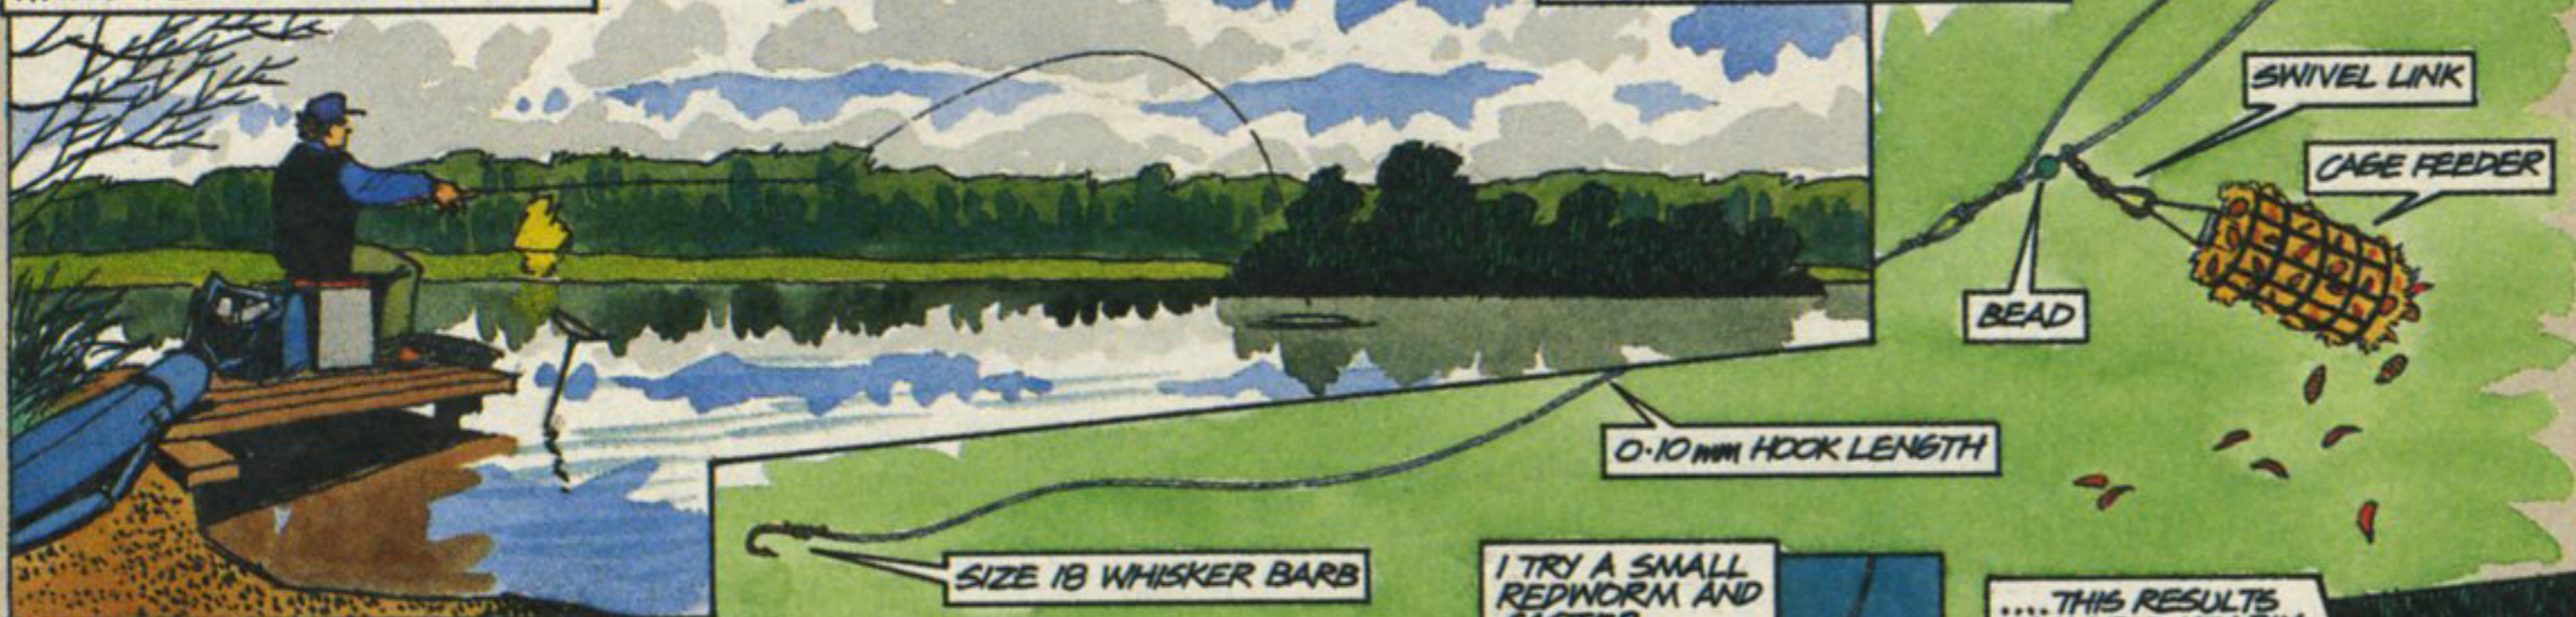

Old Bury Hill, Part 1

NEXT WEEK: Dave catches something unexpected

I'M DROPPING MY OPEN-END FEEDER JUST SHORT OF THE ISLAND ON THE MAIN LAKE AT OLD BURY HILL

.... PACKING IT WITH CASTER, PINKIES AND A SMATTERING OF RED MAGGOTS.

CAGE FEEDER

BEAD

0.10MM HOOK LENGTH

SIZE 18 WHISKER BARB

MY 3/4 OZ QUIVERTIP SAILS 'ROUND FIRST CHUCK — FEELS LIKE A SKIMMER HAS GONE FOR MY FLUORO MAGGOT BAIT.

IT GOES VERY QUIET AFTER THAT. ONLY SLIGHT TREMBLES ON THE TIP FROM SMALL FISH.

I TRY A SMALL REDWORM AND CASTER COMBINATION ON THE HOOK

.... THIS RESULTS IN MY ROD NEARLY LEAVING ITS REST! FEELS LIKE A GOOD FISH — WONDER WHAT IT IS?
