

# BURY HILL ANGLING CLUB

2019/20 SEASON TICKET APPLICATION FORM

## Season Tickets are valid from June 16th until March 14th inc.

Season tickets purchased before June 16th do not include the cost of fishing during the old close season period i.e. March 15th to June 15th inclusive, although privileges will apply once a season ticket has been purchased allowing early entry during the week. Season Tickets are limited to just 50 and issued on a first come first served basis.

When applying for a season ticket, the following privileges apply:

1. To fish Old Bury Hill, Milton and Bonds Lakes daily, with the exception of Christmas day, Boxing day and New Years day when the fishery is closed.
2. Access to the fishery is from 6am Monday to Friday, and first entry at weekends and bank holidays, i.e. before day ticket anglers but not before the arrival of the bailiff. Under no circumstances should you enter the fishery before the arrival of the bailiff at weekends or bank holidays or before it is properly daylight.
3. The opportunity to bring one paying guest; however you must purchase a day pass for your guest when the fishery opens. This is your responsibility and not your guest's.
4. Season Tickets can be used in conjunction with a Specimen Carp Membership when the season ticket will cover the cost of fishing on the Old Lake during the applicable times, please note that your season ticket excludes Temple Lake. However, please note that a Specimen Carp Membership needs to be purchased separately should a Season Ticket holder wish to fish either Temple Lake or the Old Lake at night, to this end, season ticket holders will be given priority when applying to join the Specimen Carp Club.

**The above privileges are effective once your season ticket has been purchased, which includes the period March 15th - June 15th, when a day ticket for the correct number of rods must be purchased.**
